You make my pants wanna get up and dance
You make my face wanna grin
You make my knees, kneel down, say please
Honey, won't you kiss me again?

You make my pants wanna get up and dance
You make my face wanna grin
You make my knees, kneel down, say please
Honey, won't you kiss me again?

I was a lost and a lonely man
I get through life the best I can
Ever since that day I laid my eye on you
That day I decided what I had to do

You make my pants wanna get up and dance
You make my face wanna grin
You make my knees, kneel down, say please
Honey, won't you kiss me again?

Start the music, strike up the band
I never did the boogie but I bet that I can
Never met a girl half as sweet as you
Nobody ever moved that the move you do

You make my pants wanna get up and dance
You make my face wanna grin
You make my knees, kneel down, say please
Honey, won't you kiss me again?

Honey, won't you kiss me?
Honey, won't you kiss me?
Honey, won't you kiss me again?
Oh yeah, alright
