Deep in my heart, there's a fire, a burning heart  
Deep in my heart, there's desire for a start  
I'm dying in emotion  
It's my world in fantasy  
I'm living in my, living in my dreams

You're my heart, you're my soul  
I'll keep it shining wherever I go  
You're my heart, you're my soul  
I'll be holding you forever, stay with you together

You're my heart, you're my soul  
Yeah, feeling that our love will grow  
You're my heart, you're my soul  
That's the only thing I really know

Let's close the door and believe my burning heart  
Feeling alright, come on open up your heart  
I keep the candles burning  
Let your body melt in my  
And living in my, living in my dreams
