Tonight I hold to nothing  
But the feelings in my soul  
My heart overflows with emotions  
I just can't control

There's someone you are going to  
But tonight I just can't tell right from wrong

Let me be yours until tomorrow  
Let me be yours until tomorrow  
Let me be yours until tomorrow  
Give me one night of your life  
Just mine till the dawn

Tomorrow the real world  
Will come crashing down on me  
I know I must lose you  
And that's the way it has to be

But tonight I see no boundaries

So I beg you before our chance is gone

Let me be yours until tomorrow  
Let me be yours until tomorrow  
Let me be yours until tomorrow  
Give me one night of your life  
So that I can go on

Till the dawn's intrusion  
Ends us with illusion  
Make believe you're mine, love  
This is not goodbye, love

All I ask is one night  
Till the mornin' sunlight  
Won't you stay here in my arms?  
And baby

Let me be yours until tomorrow  
Let me be yours until tomorrow  
Let me be yours until tomorrow

Let me be yours
