You make me feel high on life
When I'm with you I can fly
I wouldn't stop this feeling
I wouldn't stop this feeling
It makes me feel high on life
Intensifies what's inside
I wouldn't stop this feeling from taking over

If you could only say
Why it feels so good when you move closer
I think we're on our way
I just get this feeling over and over
Cause it's just you that I see nothing but you I feel so
free
I just get this feeling over and over

You make me feel high on life
When I'm with you I can fly
I wouldn't stop this feeling
I wouldn't stop this feeling
It makes me feel high on life
Intensifies what's inside

I wouldn't stop this feeling from taking over

Right here in this crowded place
I feel that we're the centre of it all
Looking at you I'm amazed
It seems I'll never fall

Cause it's just you that I seen nothing but you I feel so
free
I just get this feeling over and over

You make me feel high on life
When I'm with you I can fly
I wouldn't stop this feeling
I wouldn't stop this feeling
It makes me feel high on life
Intensifies what's inside
I wouldn't stop this feeling from taking over
