Name your price, a ticket to paradise  
I can't stay here any more and I've looked high and low  
I've been from shore to shore to shore  
If there's a short cut I'd have found it  
Light of the world, shine on me

Love is the answer  
Shine on us all  
Set us free  
Love is the answer

Who knows why someday we all must die  
We're all homeless boys and girls  
And we are never heard it's such a lonely world  
People turn their heads and walk on by  
Tell me is it worth just another try

Are we alive or just a dying planet?  
What are the chances  
Ask the man in your heart for the answers  
And when you feel afraid love one another

When you've lost your way  
Love one another  
And when you're all alone  
Love one another

And when you're far from home  
Love one another  
And when you're down and out  
Love one another

And when your hopes run out  
Love one another  
And when you need a friend  
Love one another  
We got to love one another
