How it all started  
I hardly remember  
A casual walk through  
the park in the winter  
All that I wanted was  
someone I could talk to  
It had to be you

The wind was cold  
we huddled together  
Looking back I should  
have known better  
Wasn't it me who said  
I'll never fall for anyone  
And look what I've done

(chorus)  
Gone too far  
I don't know how I did it  
Gone too far and  
I hate to admit it  
But I spend all my time  
thinking of you  
Gone too far  
there's nothing I can do now

Gone too far  
it'll work out somehow  
But I spend all my time  
thinking of you

Seems before I didn't  
know what was missing  
Maybe I did but  
I just wouldn't listen  
Wasn't it me who said  
I'll never fall for anyone  
And look what I've done

(chorus)

Maybe somewhere

along the line  
I knew it would  
happen to me  
Now I look in  
those smiling eyes  
And for days now  
that's all I can see

(chorus 2x to fade)
