Hello, yeah, it's been awhile
Not much, how about you
I'm not sure why I called
I guess I really just wanted to talk to you
And I was thinking maybe later on
We could get together for awhile
It's been such a long time
And I really do miss your smile
I'm not talking about moving in
And I don't want to change your life
But there's a warm wind blowing the stars are out
And I'd really love to see you tonight
We could go walking thru a windy park
Take a drive along the beach
Or stay at home and watch TV
You see it doesn't really matter much to me
I'm not talking about moving in
And I don't want to change your life
But there's a warm wind blowing the stars are out
And I'd really love to see you tonight

I won't ask for promises
So you don't have to lie
We've both played that game before
Say I love you then say goodbye
I'm not talking about moving in
And I don't want to change your life
But there's a warm wind blowing the stars are out
And I'd really love to see you tonight
Really love to see you tonight
I'm not talking about moving in
And I don't want to change your life
But there's a warm wind blowing the stars are out
And I'd really love to see you tonight
Really love to see you tonight
I'm not talking about moving in
And I don't want to change your life
But there's a warm wind blowing the stars are out
And I'd really love to see you tonight
