Met you on a springtime day
You were mindin' your life
and I was mindin' mine, too
Lady when you looked my way
I had a strange sensation and
darlin' that's when I knew, that

(chorus)

It's sad to belong to someone else
when the right one comes along
Yes it's sad to belong to someone else
when the right one comes along

Oh I wake up in the night
And I reached beside me
hopin' you will be there
But instead I find someone
who believe in me when I said

I'd always care, oh

(chorus)

So I lived my life in a dreamworld
for the rest of my days
Just you and me walkin' hand in hand
In a wishful memory
oh I guess that's all
that it would ever be

Wish I had a time machine
I could make myself go back
until the day I was born
And I would live my life again
and rearrange it so that I'll be
yours from now on, oh

(chorus 2x to fade)
