He ain't got no walking stick
He don't need no ball and chain
He ain't got no candy kick
That don't mean nothing to James

Oh, oh, James, singing, oh, oh, James
The people in the streets owe the pouring of the rain
Is it a feeling in the heart or is it something you can
name?

Oh, oh, James, singing, oh, oh, James
The people in the streets owe the pouring of the rain
Is it a feeling in the heart or is it something you can
name

Oh, oh, oh, oh, oh, oh, James
Oh, oh, oh, oh, oh, oh, James
