Lying in bed with
the radio on
Moonlight falls like rain
Soft summer nights
still thinking of you
When will I see you again?

Soft and low the
music is on
I can't stop
thinking about you
Thinkin' 'bout you

(chorus)
I didn't know it
would be so strong
Waiting and wondering
about you
I didn't know it
would last so long
Nights are forever
without you
Nights are forever

without you

The curtains still dance
with the wind in the sky
The sun'll be coming up soon
But I just can't sleep
for thinking of you
Here alone with the moon

Soft and low the
music is on
I can't stop
thinking about you
Thinkin' 'bout you

(chorus)

Nights are forever

without you
Nights are forever
without you

(repeat to fade)
