If I could only touch your heart  
Maybe I could feel what you're going through  
If I could only read your thoughts  
Maybe I know what I need to do  
Something's pulling us together  
Something's stronger than we knew

It's part of me part of you  
Reaching out for part of something new  
Loving me loving you  
And I wonder if you feel it too  
I wish I knew

If I could feel the way you feel  
Maybe all the words would come easily  
If I could know what's in your mind

Baby there a clue that I failed to see  
Something's brought us here together  
Something's trying to break through

It's part of me part of you  
Reaching out for part of something new  
Loving me loving you  
And I wonder if you feel it too  
I wish I knew

It's part of me part of you  
Reaching out for part of something new  
Loving me loving you  
And I wonder if you feel it too  
I wish I knew
