I've been saving the things you gave me  
I've been holding em close to me  
All the letters that said you loved me  
And the picture of you holding me

And I've been meaning to call and tell you  
After all that we've been through  
I know what to do with the memories  
But I found something here I can't use

(CHORUS)

What can I do with this broken heart  
And a goodbye that leaves me nowhere  
What can I do with this broken heart  
And a love I can't get over

I remember the words that were spoken  
How we used em so carelessly  
What we thought would last forever  
Ended so suddenly, so suddenly

(CHORUS)

And a love I can't get over  
Can't get over you

(CHORUS)

I can't get over you

(CHORUS)

I can't get over  
Can't get over you

(CHORUS)
