Wise men thinkin' by numbers, shaken, not stirred  
But I hang, I hang on your every word  
These days I roll over punches, always your clown  
Do you remember when we used to paint this town  
Red, gold, green and blue, if you still believe in me and  
you

Don't walk away, I know I'll find an answer if you stay  
Don't walk away, there's nothing in tomorrow that  
wasn't there in yesterday  
Oh no no no

All the heartache, too many nights in a heartbreak hotel  
Don't you give up, love is a caroussel  
Put on your dancing shoes, and we can paint this town  
Red, gold, green and blue, if you still believe in me and  
you

Don't walk away, I know I'll find the answer if you stay  
Don't walk away, there's nothing in tomorrow that  
wasn't there in yesterday

I'm sad, that's all, this can't be the end  
It's not my fault, the rain on the roof  
Reach out, reach out, I'm drowning, not waving  
Reach out and touch, before it's too late to save our  
love  
Baby don't you walk away, oh no

Don't walk away, I know I'll find an answer if you stay  
Don't walk away, there's nothing in tomorrow that  
wasn't there in yesterday

Don't walk away, don't walk away, no, just stay  
Baby don't walk away (every cloud can have a silver  
lining), don't walk away  
Baby don't walk away (if you look hard enough you'll  
find love is shining)  
Don't walk away, no no no no no... (to fade)
