A little white picket fence around your heart
It's everything you wanted
Now it's tearing you apart
You're gonna raise a family now
But you don't know where to start

Are you hiding in your dreams tonight
In your world

Are you crying in your sleep tonight
Are you lying with him
Thinkin' 'bout me tonight
Are you hiding in your dreams tonight
In your world
I will be the ghost in your heart

The ghost in your heart
In your heart
In your heart
Ghost in your
