Girl, sometimes it seems to me

That I don't say the things I should, to you, I act like I'm  
no good

You wait for me patiently

This house is not a home without you, it takes two  
hearts to share

Your eyes will always see through me, and bring me to  
my knees

And I will always turn to you, you're everything I need

And thru the good and bad times, you have always  
been there

We hold each other close, you tell me it's alright

The nights we fight about it, never dream of givin' up

That's the price of love

Look, sometimes it makes us cry

Forgive me when I get it wrong, sometimes it's hard to  
be that strong

And oh, I would do anything

For you I'd turn the stars around, I'd find a way  
somehow

This time, you see I built a bridge to you again

Love shines, we'll sweep away the past

We're more than lovers, more than friends

And thru the good and bad times, you have always

been there

We hold each other tight, you tell me it's alright

The nights we fight about it, never think of givin' up

That's the price of love

(Instrumental break)

Your eyes will always see through me, and bring me to  
my knees

And I will always turn to you, you're everything I need

And thru the good and bad times, you have always  
been there

We hold each other close, you tell me it's alright

And sometimes I can't give enough, that's the price of  
love

That's the price of love, that's the price of love

That's the price of love... (to fade)
