Desert highway to a memory, I said that I'd come back  
for you  
By the jukebox at the starlight grill, kickin' out an Elvis  
tune  
Are you waitin', little sister, killin' time and dreamin' too  
You need a fraction of long distance love, I'm driving  
all night for you, yeah

I'm gonna be there in a big way, you can leave the  
radio on  
Like an outlaw, like Jesse James, another hundred miles  
is gone  
Sunrise to sundawn, I'm gonna turn you around, yeah

Baby I've been so lonely, what am I s'pposed to do  
Out in the sun with passion, out of my head for you  
Baby my heart's a mustang, just let it run its course  
Take it up by the river, I'm gonna give you more

Ride the rockin' horse, hey, ride the rockin' horse, yeah

Got the top down, wishin' on a star, underneath the  
Spanish moon  
Golden Earring on the radio, radar love is coming thru  
She's a station on the interstate, I'm coming with a  
message of love  
In the saddle, you can ride all night, rock your reins  
around my glove, yeah

Sunrise to sundawn, I'm gonna turn you around, yeah

Baby I've been so lonely, what's a man s'pposed to do  
Out in the sun with passion, out of my head for you  
Proof papa's got the fever, just let it run its course  
Take it up by the river, I'm gonna give you more

Ride the rockin' horse, hey, ride the rockin' horse

(Instrumental break)

Baby I've been so, baby I've been so, baby I've been so

lonely  
(Ride the rockin' horse) Lo-lo-lo-lo-lonely, lonely, yeah  
Baby I've been so, out of my head for you, whoah (ride  
the rockin' horse)  
Baby I've been so lonely, baby baby baby (ride the  
rockin' horse)  
Babe I've been so lonely, what am I gonna do, thank  
you New York

(Ride the rockin' horse) (repeats out)
