Sometimes I wonder If I'd ever make it through  
Through this world without having you  
I just wouldn't have a clue

Cause sometimes it seems like this world's closing in  
on me  
And there's no way of breaking free  
and then I see you reach for me

Sometimes I wanna give up wanna give in  
I wanna quit the fight  
And then I see you baby  
and everything's alright, everything's alright

When I see you smile I can face the world  
Oh you know I can do anything  
When I see you smile I see a ray of light  
Oh I see it shining right through the rain  
When I see you smile  
Baby when I see you smile at me

Baby there's nothing in this world that could ever do  
What the touch of your hand can do  
It's like nothing that I ever knew

And when the rain is falling, I don't feel it  
Cause you're here with me now  
and one look at you baby  
It's all I'll ever need, All I'll ever need

When I see you smile I can face the world  
Oh you know I can do anything  
When I see you smile I see a ray of light  
Oh I see it shining right through the rain  
When I see you smile baby  
Baby when I see you smile at me

Sometimes I wanna give up I wanna give in  
I wanna quit the fight  
Then one look at you baby  
And everything's alright  
Hey everything's alright

It's alright

When I see you smile I can face the world  
Oh you know I can do anything  
When I see you smile I see a ray of light  
Oh I see it shining right through the rain  
When I see you smile Yeah I can face the world  
Oh you know I can do anything now

When I see you smile Oh yeah  
Baby when I see you smile  
Smile at me
