Ladies

MotoLyrics

I wanna bring something to your attention Something that you've probably overlooked And that is A man can hurt Just as hard and deep as you can You see, I had a lady in the past To hurt me real bad And I needed someone to talk to in a very serious way So I went to the best friend I had And that's my mother, and she said...

Cry.... You go on and...

Go on and cry, my son Cry 'til your tears are done I know it's hard for you to see That it really wasnt meant to be But you'll find love again Maybe the next time you'll win

So go on and fall apart I know she broke your heart You gave her all that you could So let this be understood 'Cause things didnt work out as planned Doesnt make you less of a man

So go on and cry (You go on and cry) Go on and cry (You go on and cry) Go on and cry (You go on and cry) Go on and cry (You go on and cry) Go on and cry (You go on and cry) Go on and cry (You go on and cry) Go on and cry, my son Cry 'til your tears are done Go on and cry for now Things will work out somehow You'll find love again Maybe the next time you'll win (Maybe the next time you'll win)

Go on and cry Go on and cry, my son

Go on... You see I never will forget that moment When my mother turned to me and she said Son, if you feel it in your soul And if you feel it in your heart Go On and cry Just because things didnt work out as planned Doesnt make you any less of a man So go on and cry Let it out Let it out Let it all out..

Yeah yeah... Go on and cry (You go on and cry)
