If only
I had a sign
I'd give up everything
To make you mine
If only I had a vision
I'd travel back in time to find out what I'm missin

If only If only
If only If only
If only If only
If only If only
If only If only
If only If only
If only If only

If only
you had my back
but I can't count on you
at least not for that
If only
You were my friend
Cuz I know I was yours
Right there till the end

If only If only
If only If only
If only If only
if only if only
If only if only
If only if only
If only If only
If only if only

If only I could stop wishin
Why can't you just love me
Forget your inhibitions

If only x 16

If only
If only
If only

If only
