Cause you're the outside woman  
Don't feel bad, don't cry

I lay next to another woman  
But I call out your name  
(Calling, calling, calling)  
(Your name) yeah, babe

And I really want  
To see you right now  
But right now I can't  
Change a thing  
(Can't change a thing)  
(Can't change a thing)

But just remember  
Girl, I love you  
And as soon as I can  
I'll break away  
And see you, baby  
(Don't feel bad)

Sometimes it seems  
A million years between  
Our little get togethers  
Oh, yeah, yeah

But I know that you  
Know that I know  
That you think things  
Ain't gonna get any better  
(Get any better  
Get any better)

But just remember  
Girl, I love you  
And as soon as I can  
I'll break away  
And see you, baby  
(Don't feel bad)

Cause you're the outside woman

Don't feel bad  
(Don't feel bad)

You know that I  
Belong to another  
Oh, girl, oh, girl, yeah

You're supposed to understand  
Just how I feel, whoa, oh

Don't cry, don't cry  
Don't cry, don't cry  
Don't cry, I'll be there  
To kiss your  
Little tears away  
Yeah, baby, yeah

Just hold on (just hold on)  
Just hold on (just hold on)  
Just hold on (don't feel bad)

Just hold on (just hold on)  
Just hold on (just hold on)  
Just hold on (don't feel bad)

Inside, outside  
Inside, outside woman  
Inside, outside  
Inside, outside woman

Cause you're the outside woman  
Don't feel bad...
