All set luncheonette, kitchenette to let
I bet, I get hamburgerette again
We met in a launderette, kissed beneath the air jet
No sweat, no threat, another one in the back of the net

When I met Jeanette, substitute Ronette
She said, "Will you remember?", said I could never
forget her
Au naturalette, her mom's a millionette
So we shared one last cigarette and swapped false
addresses
Jeanette, Jeanette

Dangerous, she's like damp dynamite
Oh boy, enjoy, have a nice night
Won't you promise to write me whenever you can?
Make sure that you warn me if you're coming to
Birmingham

I get Jeanette, substitute Ronette
She said, "Will you remember?", said I could never
forget her
Jeanette, you know, know, know, I'll never forget you

Touching your skin has proved one thing, that love's
still exciting
We're getting there, we're nearly there, just one final
fling
Pushing into a new love, steady, deep and strong
Steady on, you know we shouldn't talk like this

I met Jeanette, substitute Ronette
She said, "Will you remember?", said I could never
forget you
Au naturalette, her mom's a millionette
So we shared one last cigarette and swapped false
addresses

Jeanette, you know, know, know, I'll never forget you
Jeanette, you know, know, know, I'll never forget you
Shared one last cigarette and swapped false
addresses

Jeanette, you know, know, know, I'll never forget you

Jeanette, you know, know, know, I'll never forget you

Jeanette, you know, know, know, I'll never forget you

Shared one last cigarette and swapped false
addresses

You know what, it's possible
