I'm looking for a girlfriend  
I want everything  
Noise in this world  
Someone to lie next to

I want forever, I want  
Whatever jack-knife feels like  
Tearin' up the blankets

I want forever, I want  
I'm just the crossed-out names in your address-book  
Sticks in wet tar, sticks in my mouth  
Make me feel as false as you look

You're so graceful  
You're so hateful  
I feel clumsy  
When I'm near you

I want forever, I want  
Whatever jack-knife feels like  
Starin' at my own face

I want forever, I want  
I'm just the crossed-out names in your address-book  
Sticks in wet tar, sticks in my mouth  
Make me feel as false as you look

I'm looking for a girlfriend  
I want everything  
Noise in this world  
Someone to lie next to

I want forever, I want  
Whatever jack-knife feels like  
Starin' at my own face

I want forever, I want  
I'm just the crossed-out names in your address-book  
Sticks in wet tar, sticks in my mouth  
Make me feel as false as you look
