

## English Beat "Save It For Later"

Visit "[Save It For Later](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Two dozen other dirty lovers  
Must be a sucker for it  
Cry, cry, but I don't need my mother  
Just hold my hand while I come  
To a decision on it

Sooner or later  
Your legs give way, you hit the ground  
Save it for later  
Don't run away and let me down

Sooner or later  
You hit the deck you get found out  
Save it for later  
Don't run away and let me down  
You let me down

Black air and seven seas  
All rotten through, but what can you do?  
I don't know how I'm meant to act  
With all of you lot  
Sometimes, I don't try  
I just know, know, know

Sooner or later  
Your legs give way, you hit the ground  
Save it for later  
Don't run away and let me down

Sooner or later  
You hit the deck you get found out  
Save it for later  
Don't run away and let me down  
You let me down, you run away  
Run away and let me down

Two dozen other stupid reasons  
Why we should suffer for this  
Don't bother trying to explain them  
Just hold my hand, while I come  
To a decision on it

Sooner or later  
Your legs give way, you hit the ground  
Save it for later  
Don't run away and let me down

Sooner or later  
You'll hit the deck you'll get found out  
Save it for later  
Don't runaway and let me down  
You let me down

You run away, run away  
Run away, run away, run away  
Run away and let me down

Run away, run away, run away  
Run away, run away, run away  
Run away and let me down
