Cuando noche esta, te esperar?
Quiero volverte loco esta noche
Con la luna llena, te esperar?
Hoy morir?s entre mis brazos
Y nunca so?ar?s de algo mas

When you're near me, I close my eyes,
I want to feel you by my side
When you kiss me, I close my eyes,
I want you by my side

When I realize there's no telling lies,
Then I know that once in a lifetime
Making love to you, every time it's new,
You know you're my once in a lifetime

Todo tu cuerpo temblar?,
Pero esta vez, es realidad
A?n que el tiempo pase,
Nunca, nunca, lo olvidar?s,
Sera, solo una vez en tu vida

When you touch me, I burn inside,
Colder chills run down my spine
When you take me, it's hot in love,
- Can't get enough!

When I realize there's no telling lies,
Then I know that once in a lifetime
Making love to you, every time it's new,
You know you're my once in a lifetime

Once in a lifetime, once in a lifetime, once in a lifetime

Giving all I've got, I'm your love-me-not,
You're my lover, once in a lifetime
Taking care of you, every time it's new,
You know you're my once in a lifetime
