(translation:

Who is of smiling face, bestower of all fortunes,
Whose hands are ready to rescue anyone from fear,
Who is adorned by various ornaments with precious
stones)

Puer natus est nobis,

Et filius datus est nobis:

Cujus imperium super humerum... for to us a child is
born,

To us a son is given:

And the government will be upon his
Shoulder..

Some day you came

And I knew you were the one

You were the rain, you were the sun

But I needed both, cause I needed you

.

You were the one

I was dreaming of all my life

When it is dark you are my light

But don't forget

Who's always our guide

.

It is the child in us
