[Lyrics-Dave]

Deep in the bowels of the ocean
The monsters play
Crimson tide from soldiers
In their watery graves
Food of the gods, you're surrounded by a gul-
Lined tomb

There's more room - You see the eye and
You've sealed your doom
The Architeuthis - A giant ruthless! - The dark
Side of the crimson tide

You can't hide - Prepare to die!

Carnivore of ancient horror and sailors lore
From bay to bay
Thrashing gore - Blood red sea floor - Can't
Take no more -
Let's fucking party!
Food of the gods, digest in the invertebrates
Womb

There's more room - You see the eye and

You've sealed your doom
The Architeuthis - A giant ruthless! - The dark
Side of the crimson tide

You can't hide - Prepare to die!

Sea demon - In season -
I'm screamin'! - No reason

Sea is black with ink - Staring in it's eye
Ripping monster beak -
Chomping on my thigh
Thrash arms around -
Soon I will be dead
20,000 leagues crushing overhead!

Sea demon - In season - I'm screamin'! - No
Reason
Infection - Not to mention -
Chaotic evolution!

Massive tentacles
Wrapped around the beast
Hulking metal beasts in battle ships we'll... feast

...ARCHITEUTHIS!
