[lyrics-Ryan]

Coming for you in the dead of night - Quarter ton killing
machine

Taken a life for every pound he weights

Record book for murder spree

He plans hard and fights had and if he fights

You at all,

This mountain of kill fury,

Gut up and buckle for you dust, a drooling

Smile is

The last thing you'll see

Back in the 'Nam, M-80 in hand - Frags, "pies",
And grenades

Out of control - Mounting death toll - Only one
Spike team remains

Return to the States - Ident erased - Where he
Strikes next? No tellin'...

Tractor chain lashes out to give you a clout -
Caves in heads like over ripe melons

Gut you! Fuck you! Eat you! Tear you limb from
Fuckin' limb!

You face CHAINGANG! Can't stop

CHAINGANG!

Abdoments ripped, kidneys torn, steaming shit,
Bleeding hearts

Rotten remains rusted wrecks

In this underwater tomb

Multitudes of murderous methods on his

Mindscreen spell your doom

Prescient sociopath

With enormous appetites

Devouring his victims,

Will you be his mean tonight?

SKS - Spitting lead - Death breath

Unstoppable - Insatiable - Cannibal

[MOSH PART]

You see him coming?

Get out of his way

Crpss his path and it's your turn to pay

HE'LL MAKE YOU WISH THAT YOU DIDN'T

EXIST!

"cause Chaingang is coming and you're on his list

Belly bile, gut juice, viscera, shit tubes

Offal fat, chittlin' goop, butchered monkeys,

Rendered fools...
