I was childish and unfair to you, my only friend
I regret, but now it's too late
I can't show you anymore, the things I've learned from
you
Cause life just took you away
I'm asking why
I'm asking why
Nobody gives an answer
I'm just asking why
But someday, we'll meet again
And I'll ask you...
I'll ask you why, why it has to be like this
I'm asking you why, please give me an answer
Many years of stupid fights til we accept to see
How it was and would always be
Why it has to be like this, why we don't realize
Why we're too blind to see the one who's always on our
side
I'm asking why
I'm asking why
Nobody gives an answer
I'm just asking why
Just tell me why, why it has to be like this
That the good ones disappear
I'm asking you why
I'm asking why
I'm asking why
Nobody gives an answer
I'm just asking why
I'm asking why
