(m.cretu.)

In reverse mode

Cause we are the fighters

Just fighting for our rights

Stand up, join us, modern crusaders alive

We have the power...

We're not submissive, we're not aggressive

But they think...

Stand up, join us, modern crusaders alive

We have the power...

. sors salutis

Et virtutis

Michi nunc contraria

Hac in hora

Sine nora

Cordum pulsum tangite;

Quod per sortem

Sternit fortem,

Mecum omnes plangite!

(translation:

Fate, in health

And virtue,

Is against me

So at this hour

Without delay

Pluck the vibrating strings;

Since fate

Strikes down the strong man,

Everyone weep with me!)
