"O Fortuna
velut Luna" "O Fortune
like the Moon"
Turn around and smell what you don't see
Close your eyes ... it is so clear
Here's the mirror, behind there is a screen
On both ways you can get in
Don't think twice before you listen to your heart
Follow the trace for a new start
What you need and everything you'll feel
Is just a question of the deal
In the eye of storm you'll see a lonely dove
The experience of survival is the key
To the gravity of love

"O Fortuna
velut Luna" "O Fortune
like the Moon"
[Whispers]
[Woman :]
The path of excess leads to

The tower of Wisdom
[Man :]
The path of excess leads to
The tower of Wisdom
[Whispers]
Try to think about it ...
That's the chance to live your life and discover
What it is, what's the gravity of love
"O Fortuna
velut Luna" "O Fortune
like the Moon"
Look around just people, can you hear their voice
Find the one who'll guide you to the limits of your
choice
But if you're in the eye of storm
Just think of the lonely dove
The experience of survival is the key
To the gravity of love.
"O Fortuna
velut Luna" "O Fortune
like the Moon"
