Like a shadow on the wall  
If you come in, if you go  
Not protected by the law  
But still incognito

You are capturing my soul  
If I want it or if I don't  
Who you are, nobody knows  
Can't get behind incognito, incognito

Like a shadow on the wall  
Free access to around the world  
Who you are, nobody knows  
Eyes without face, incognito, incognito

Like a shadow on the wall  
If you come in, if you go  
Not protected by the law  
But still incognito

Like a shadow on the wall  
Free access to around the world  
Who you are, nobody knows  
Eyes without face, incognito, incognito

Incognito  
Incognito  
Incognito
