(cretu-fairstein)

Je ne dors plus

Je suis folle. je m'abandonne

Je ne dors plus

Je suis a toi

(translation:

I can't sleep anymore

I am crazy. I am letting myself go

I can't sleep anymore

I'm yours)

In reverse

In nomine christi, amen

In nomine christi, amen

In nomine christi, amen

In nomine christi, amen

In nomine christi, amen

In nomine christi, amen

(translation:

In the name of christ, so be it

In the name of christ, so be it

In the name of christ, so be it

In the name of christ, so be it

In the name of christ, so be it

In the name of christ, so be it)

The eternal flame will always burn

Feel - understand - and learn
