

## Enigma "The Alchemist"

I am an American aquarium drinker  
I assassin down the avenue  
I'm hiding out in the big city blinking  
What was I thinking when I let go of you?

Let's forget about the tongue-tied lightning  
Let's undress just like cross-eyed strangers  
This is not a joke, so please stop smiling  
What was I thinking when I said, "It didn't hurt"?

I want to glide through those brown eyes dreaming  
Take it from the inside, baby hold on tight  
You were so right when you said I've been drinking  
What was I thinking when we said, "Good night"?

I want to hold you in the Bible-black predawn  
You're quite a quiet domino, bury me now  
Take off your Band-Aid 'coz I don't believe in  
touchdowns  
What was I thinking when we said, "Hello"?

I'd always thought that if I held you tightly  
You'd always love me like you did back then  
Then I fell asleep and the city kept blinking  
What was I thinking when I let you back in?

I am trying to break your heart  
I am trying to break your heart  
But still I'd be lying if I said it wasn't easy  
I am trying to break your heart

Disposable Dixie-cup drinking  
I assassin down the avenue  
I'm hiding out in the big city blinking  
What was I thinking when I let go of you?

Loves you  
I'm the man who loves you
