Sanskrit chant translation

(translation:

Who is of smiling face, bestower of all fortunes,  
Whose hands are ready to rescue anyone from fear,  
Who is adorned by various ornaments with precious  
stones )

Puer natus est nobis,

Et filius datus est nobis:

Cujus emperium super humerum... for to us a child is  
born,

To us a son is given:

And the government will be upon his  
Shoulder..

Some day you came

And I knew you were the one

You were the rain, you were the sun

But I needed both, cause I needed you

.

You were the one

I was dreaming of all my life

When it is dark you are my light

But don't forget

Who's always our guide

.

It is the child in us
