We all had the same parents  
Many million years ago  
Why can't we live in freedom?  
Without hunger, with no war

At the beginning we all had  
One mother and one father  
That's where we're descending from

Attention  
I don't, I don't understand  
Why so much hate?  
Attention  
Between races and religions

It's mad, insane  
I don't understand  
Amazing  
Why it has to be like that?  
Incredible experience

We all had the same parents
