Look into the others eyes,  
Many frustrations  
Read between the lines,  
No words, just vibrations  
Don't ignore hidden desires  
Pay attention, you're playing with fire  
Silence must be heard, noise should be observed  
The time has come to learn, that silence...  
Silence must be heard  
Or diamonds will burn, friendly cards will turn  
Cause silence has the right to be heard  
People talk too much for what they have to say  
Words without a meaning, just fading away

Silence must be heard, noise should be observed  
The time has come to learn, that silence...  
Silence must be heard  
Or diamonds will burn, friendly cards will turn  
Cause silence has the right to be heard
