If you say, that you don't want me,
Thats ok, i'm gonna get ya anyway,
If you think, you can avoid me,
that's alright, cos i don't mind a little fight.

Word is out, that your not gettin' served,
The way that both of us know you deserve,
There's no doubt (there's no doubt)
That i got what you need,
If you wanna come just come with me.

I am just a guy, you are just a girl,
All i know is i just wanna rock your world,
And all i got to say, i hope that its ok,

[CHORUS]

Gonna be blood, sweat n tears,
Gonna be hard work n fears,
But i aint gonna stop no never stop till i got you,
Gonna be sunshine n rain,
Gonna be pleasure n pain,
But i aint gonna stop no never stop till i got you.

Listen up, please believe me,
When i claim to be the lover that you want (alright)
Check this out, i got a feelin' (got a feelin)
That it's gonna be you and me, you know i'm right,

You are just a girl, and i am just a guy,
Who does appreciate the finer things in life,
And this i swear to you, every word is true,

[chorus x2]
