I was alone, I took a ride
I didn't know what I would find there
Another road where maybe
I could find another kind of mind there

Ooh, then I suddenly see you
Ooh, did I tell you I need you
Every single day of my life?

You didn't run, you didn't lie
You knew I wanted just to hold you
And had you gone, you knew in time
We'd meet again for I had told you

Ooh, you were meant to be near me
Ooh, and I want you to hear me
Say, we'll be together every day

Got to get you into my life
Got to get you into my life

What can I do? What can I be?

When I'm with you I want to stay there
If I'm true I'll never leave
And if I do I know the way there

Ooh, then I suddenly see you
Ooh, did I tell you I need you
Every single day of my life?

Got to get you into my life
Got to get you into my life, oh

I was alone, I took a ride
I didn't know what I would find there
Another road where maybe
I could find another kind of mind there

Ooh, you know I need my baby
Ooh, you know I need my baby

Got to get you into my life
Got to get you into my life
Got to get you into my life
