Give To Me
The Things I Never Thought I'll Ask Of You

Live For Me
The Way I Always Dreamed You're Trying To

Love Can Be So Blind
And Time Can Be Unkind

So Please
Spend The Night With Me

Give To Me
The Things I Never Thought I'll Ask Of You

Live For Me
The Way I Always Dreamed You're Trying To

Love Can Be So Blind
And Time Can Be Unkind

So Please
Spend The Night With Me

I'm In Love With You
It Seems You Never Even Notice Me
I Dream Of You
I Hate That You're Not Lying Here With Me

So Please
Spend The Night With Me
