I danced on the morning, when the world had begun,
I danced for the moon and the stars and the sun,
and I Came from the heavens and I danced on earth,
in Bethlehem, I had my birth.

Dance, dance where every you may be,
I am the lord of the Dance said he,
And I lead you all, where you may be,
And I lead you all in the dance said he.

I danced on the Sunday and I cured the lame,
The Holy people thought it was a shame,
The cut me, the whip me and they hung me high,
And let me bare on the across the dike.

Dance, dance where every you may be,
I am the lord of the Dance said he,
And I lead you all, where you may be,
And I lead you all in the dance said he.

I danced on the Friday, when the world turned black,

It's hard to dance with the devil on your back.
They buried my body, but I'd already gone,
Cause I'm the light and I still go on.

Dance, dance where every you may be,
I am the lord of the Dance said he,
And I lead you all, where you may be,
And I lead you all in the dance said he.

In the dance said he

I am the light and I live up high,
I am the light that will never, never die,
I live in you, you live in me,
I am the lord of the dance said he.

Dance, dance where every you may be,
I am the lord of the Dance said he,
And I lead you all, where you may be,
And I lead you all in the dance said he. X4

In dance said he, in the dance said he.
