God save the Queen
a fascist regime,
they made you a moron
a potential H-bomb

God save the Queen,
she ain't no human being,
there is no future
in England's dreaming.

Don't be told what you want
Don't be told what you need.
There's no future
there's no future
no future for you.

God save the Queen,
we mean it man,
we love our queen
God saves.

God save the Queen
'cos tourists are money
and our figurehead
is not what it seems.

Oh God save history,
God save your mad parade,
Oh Lord God have mercy
all crimes the are paid.

When there's no future
how can there be sin?
We're the flowers
in the dustbin,
we're the poison
in your human machine.
We're the future
we're future.

God save the Queen,
we mean it man,

we love our queen
God saves.

God save the Queen
we mean it man
there is no future
in England's dreaming.

No future,
no future,
no future for you
