Whatever happened to Leon Trotsky?  
He got an ice pick  
that made his ears burn

Whatever happened to dear old Lenin?  
The great Elmyra, and Sancho Panza?  
Whatever happened to the heroes?  
Whatever happened to the heroes?

Whatever happened to all of the heroes?  
All the Shakespeares?  
They watched their Rome burn.  
Whatever happened to the heroes?  
Whatever happened to the heroes?

No more heroes any more  
No more heroes any more

Whatever happened to all the heroes?  
All the Shakespeares?  
They watched their Rome burn  
Whatever happened to the heroes?  
Whatever happened to the heroes?

No more heroes any more  
No more heroes any more
