I don't have to tell you  
What this is all about  
'Cause baby half the fun is in us  
Figuring it all out

E ya e ya aye  
E ya e ya aye

So why you gotta ask me  
Of what I'm doing now  
'Cause I don't like to question  
What I still haven't found, oh yeah

So don't turn off the lights  
I don't wanna be in the dark tonight  
'Cause I can't read your mind  
I need to know if what I'm doing is right

So don't turn off the lights  
(E ya e ya aye)  
So don't turn off the lights  
(E ya e ya aye)

So tell me I'm gonna get there  
It's so hard to even try  
But if we move together, oh yeah yeah  
We'll end up on the same side, oo yeah yeah

So don't turn off the lights  
I don't wanna be in the dark tonight  
'Cause I can't read your mind  
I need to know if what I'm doing is right

So don't turn off the lights  
(E ya e ya aye)  
So don't turn off the lights  
(E ya e ya aye)

If you know what I'm feeling  
Would you run? Where would you go?  
If you want to know what I'm thinking  
And just turn on the lights and you know

(So don't)  
So don't turn off the lights  
(Don't turn off the lights)  
I don't wanna be in the dark tonight  
E ya e ya aye  
'Cause I can't read your mind  
(Don't turn off the lights)  
I need to know if what I'm doing is right  
E ya e ya aye

(So don't turn off the lights)  
So don't turn off the lights  
(Don't turn off the lights)  
I don't wanna be in the dark tonight  
E ya e ya aye  
'Cause I can't read your mind  
(Don't turn off the lights)  
I need to know if what I'm doing is right  
E ya e ya aye

(So don't turn off the lights)  
See the lights on me  
I want you to see everything that we can be  
(So don't turn off the lights)

(Don't turn off the lights)  
See the lights on me  
I want you to see everything that we can be  
(So don't turn off the lights)

Don't turn off the lights  
Don't turn off the lights
