People say iâ´m crazy, doing what iâ´m doing
Well they give me all kinds of warnings, to save me
from ruin
When they say that iâ´m o.k. Well they look at me kind
of strange
Surely youâ´re not happy now, you no longer play the
game.

People say iâ´m lazy, dreaming my live away
Well they give me all kinds of advice, designed to
enlighten me
When i tell them that iâ´m doing fine watching
shadows on the wall
Donâ´t you miss the big time boy, youâ´re no longer on
the ball?

Iâ´m just seating here watching the weels go round
and round
I really love to watch them roll
No longer riding on the merry go round
I just have to let it go.

People asking questions, lost in confusion
Well i tell them thereâ´s no problem, only solutions
Well thy shake their heads and look at me as if i lost my
mind
I tell them thereâ´s no hurry, iâ´m just sitting here
doing time.

Iâ´m just sitting here watching the weels go round and
round
I really love to watch them roll
No longer riding on the merry go round
I just have to let it go
I just have to let it go
I just have to let it go
