Driving through the night,  
Tears are running down my face,  
I start to realise, all the things that i once said,  
I promised you the world  
It's nothing more than you deserve  
It's killing me inside, to know I put you through this hell

Take away my heart,  
It doesn't wanna work no more  
I never meant to make you cry

California calling 20 miles to go,  
And i don't, i don't know,  
Should i turn around or should i leave you alone?  
No i don't, i don't know  
I don't know,  
No i don't know...

Ah ah ah ah,  
Ah ah ah ah,

No one on the road and it feels so cold outside,  
It's driving me insane, to know how much you hurt  
tonight,  
Take away my heart, it doesn't wanna work no more,  
I never meant to make you cry

California calling 20 miles to go,  
And i don't, i don't know,  
Should i turn around or should i leave you alone?  
No i don't, i don't know

California calling 20 miles to go,  
And i don't, i don't know,  
I don't know,  
No i don't know...

[Instrumental]

California calling 20 miles to go,  
And i don't, i don't know,  
Should i turn around or should i leave you alone?

No i don't, i don' t know  
I don't know,  
No i don't know...  
No i don't know...

Gotta keep on moving on,  
Gotta keep on moving on,  
Gotta keep on moving on,  
California calling, California calling,  
Gotta keep on moving on,  
Gotta keep on moving on,  
Gotta keep on moving on,  
California calling, California calling
