Driving through the night,
Tears are running down my face,
I start to realise, all the things that I once said,
I promised you the world
It's nothing more than you deserve
It's killing me inside, to know I put you through this hell,
Take away my heart,
It doesn't wanna work no more
I never meant to make you cry, [Chorus]
California calling 20 miles to go,
And I don't, I don't know,
Should I turn around or should I leave you alone?
No I don't, I don't know
I don't know,
No I don't know... Ah ah ah ah,
Ah ah ah ah, I'm on the road and it feels so cold
outside,
It's driving me insane, to know how much you hurt
tonight,
Take away my heart, it doesn't wanna work no more,
I never meant to make you cry [Chorus x2]
[Instrumental] California calling 20 miles to go,
And I don't, I don't know,
Shod I turn around or shod I leave you alone?
No I don't, I don't know
I don't know,
No I don't know... Gotta keep on moving on,
Gotta keep on moving on,
Gotta keep on moving on, California calling, California
calling, Gotta keep on moving on,
Gotta keep on moving on,
Gotta keep on moving on, California calling, California
calling,
