Cause that is me
That makes you hold on
Don't say wanna you feel me, yeah!
And now your feeling are going strong oh oh

It's not that simple
It's not like that
Cause baby tonight
baby tonight
It's not easy
You can't ge out
Cause baby tonight
Baby tonight
Oh, Oh, Oh!

I can give you on
I can give you more
More in this club oh!
I can go all night,
Baby that's all right,
I just want more

Cause I can't get enough, enough, enough!
Cause I can't get enough, enough, enough!
Cause I can't get enough, enough, enough!
Cause I can't get enough, enough, enough!
oh, oh, oh, oh!

She gotta meet me, yeah!
Cause you better be on your own!
She gotta let me, yeah!
Cause you better be on your own!

It's not that simple
It's not like that
Cause baby tonight

baby tonight
It's not easy
You can't ge out
Cause baby tonight
Baby tonight
Oh, Oh, Oh!

i can give you on
I can give you more
More in this club oh!
I can go all night,
baby that's all right,
I just want more!

Cause I can't get enough, enough, enough!
Cause I can't get enough, enough, enough!
Cause I can't get enough, enough, enough!
Cause I can't get enough, enough, enough!
oh, oh, oh, oh!

Put your hands up in the air,
And rhythm like we don't care,
Put your hands up in the air,
I need you too
Put your hands up in the air,
And rhythm like we don't care,
Put your hands up in the air,

i can give you on
I can give you more
More in this club oh!
I can go all night,
baby that's all right,
I just want more!

Cause I can't get enough, enough, enough!
Cause I can't get enough, enough, enough!
Cause I can't get enough, enough, enough!
Cause I can't get enough, enough, enough!
oh, oh, oh, oh!
