I don't have to tell you
What this is all about
Cause baby half the fun is in us figuring it all out

e,i,e,i,a

e,i,e,i,a

So why you gotta ask me?
Of what I'm doing now
Cause I don't like to question what I still haven't found

Oh Yeah

So don't turn off the lights
I don't wanna be in the dark tonight
Cause I can't read your mind
I need to know if what I'm doing is right
So don't turn off the lights

e,i,e,i,a

So don't turn off the lights

e,i,e,i,a

So tell me I'm gonna get there
It's so hard to even try

But if we move together

(Oh yeah yeah yeah)

We'll end up on the second side

(Oh yeah yeah yeah)

So don't turn off the lights
I don't wanna be in the dark tonight
Cause I can't read your mind
I need to know if what I'm doing is right
So don't turn off the lights

So don't turn off the lights

If you know what I'm feeling
Would you run, where would you go?
If you want to know what I'm thinking
Just turn on the lights and you know

So don't turn off the lights
Don't turn off the lights

I don't wanna be in the dark tonight

Cause I can't read your mind
Don't turn off the lights
I need to know if what I'm doing is right

So don't turn off the lights
I don't wanna be in the dark tonight
Cause I can't read your mind
So Don't turn off the lights

See the lights on me, I want you to see everything that
we can be
So Don't turn off the lights
See the lights on me, I want you to see everything that
we can be

Don't turn off the lights
Don't turn off the lights
