They say love is just a game
They say time can heal the pain
Sometimes you win, sometimes you lose
And I guess I'm just a fool, I keep holding on to you

I told you once you were the one
You know that I'd die for you
Although it hurts to see you go
Oh, this time you should know, I won't try to stop you

Don't you forget about me, baby
Don't you forget about me now
Some day you'll turn around and ask me
Why did I let you go?

So you try to fake a smile
You don't wanna break my heart
I can see that you're afraid

But baby it's to late, ?coz I'm already dying

Don't you forget about me, baby
Don't you forget about me now
Some day you'll turn around and ask me
Why did I let you go?

Don't you forget about me, baby
Don't you forget about me now
Some day you'll turn around and ask me
Why did I let you go?
Why did I let you go?

Don't you forget about me, baby
No, don't you forget about me now
Some day you'll turn around and ask me
Why did I let you go?
Why did I let you go?

Wherever I go, I won't forget about you, no, no, no
Wherever you go, don't you forget about me
