### "Everything's Gonna Be Alright"

Uh, yeah, oh, no...yeah!!!  
Everything is gonna be alright  
Uh, yeah, yeah!!!  
Everything is gonna be alright  
Yeah, yeah!!!  
'cause everything is gonna be alright  
Aiaiaiaiaiaaah  
Everything is gonna be alright [x2]

Well I know just what you're thinking  
I can see it in your eyes  
Love can brake us into pieces  
Like it's done a million times, ohoh

But we know we got what it takes to make it  
In the end everything is gonna be alright  
Aiaiaiaia.aaah  
Everything is gonna be alright [x2]

Watched the sun come up this morning  
And it chased the way the rain  
Had a dream that you were with me  
Looking down from out space, ohoh

'cause we know we got what it takes to make it  
In the end everything is gonna be alright  
Aiaiaiaia.aaah  
Everything is gonna be alright [x3]  
Aiaiaiaiaiaiaaah  
'cause everything is gonna be alright

Out in the streets, under the city lights  
I feel the caos taking over me  
Life is moving at the speed the light  
At look at you and everything is gonna be alright

Yeah  
Everything is gonna be alright  
Uhh yeah, yeahhh  
Everything is gonna be alright

Aiaiaiaaah

Everything is gonna be alright [x3]

Out here we're the stars

Nobody can't fuck with us

Don't care how far

We're gonna make it [x4]

.....'cause everythin' is gonna be alright!!!
